Funeral and Cremation Service

General Price List

GENERAL PRICE LIST

These prices are effective January 13, 2021

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICES OF THE FUNERAL DIRECTOR, STAFF, AND OVERHEAD: \$1,495

Personnel available 24 hours a day, 365 days a year to respond to initial call, Arrangements Conference, coordinating service plans with cemetery, crematory, and/or other parties involved in the final disposition of the deceased, clerical assistance in the completion of various forms and permits associated with a funeral. In addition, this fee includes a proportionate share of our basic overhead costs.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

PREPARATION OF THE BODY:

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. Robertson Funeral and Cremation Service also offers other services, such as Green Burial, that would not require embalming.

Embalming: \$495

Other Preparation of the Body:

Bathing and handling of deceased: \$195

Dressing, casketing, and/or cosmetizing of deceased: \$195

Special Care for Autopsied/Donor Remains: \$195

Long-term Storage (weekly fee, begins the 15th day of storage) \$95/week

Hairdressing: \$75

DIRECT CREMATION: \$1,700 to \$1,795

Our charges for direct cremation (without ceremony) include removal of remains, transportation to crematory, refrigeration, service vehicle, and basic services of staff as well as proportionate share of overhead costs. The crematory fee is included.

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The container we provide is a cardboard container.

- A. Direct Cremation with Cardboard Container: \$1,795
- B. Direct Cremation with container provided by the purchaser: \$1,700
(All such containers must meet any applicable state or crematory requirements.)

IMMEDIATE BURIAL: \$1,995 to \$9,490

Our charges for immediate burial (without any rites or ceremonies at a church, graveside, or elsewhere) include removal of remains, transportation to cemetery, refrigeration, service vehicle, and basic service of staff, as well as a proportionate share of overhead costs.
